

ICR 2019

THE 25th IIR INTERNATIONAL
CONGRESS OF REFRIGERATION
August 24-30 | Montréal, Québec, Canada

Acoustics of Heat Pumps

Workshop, August, 29th 2019
Montréal, Québec, Canada

8:30 – 10:10

WORKSHOP PROGRAM

ICR 2019
THE 25th IIR INTERNATIONAL
CONGRESS OF REFRIGERATION
August 24-30 | Montréal, Québec, Canada

Hosted by

AUSTRIAN INSTITUTE
OF TECHNOLOGY

- Acoustic Signatures of Heat Pumps in the framework of the International, Energy Agency Technology Collaboration Programme on Heat Pumping Technologies (IEA HPT TCP)
- Acoustic Regulations of Heat Pumps
- 1D modelling of heat pumps including acoustics
- Simultaneous energy efficiency and acoustic evaluation of heat pump systems using dynamic simulation models
- Acoustic Emissions and Noise Abatement of Air to Water Heat Pumps
- Testing campaign on the energetical and acoustical behaviour of a heat pump
- Heat pump noise – operation dependence and seasonal averaging
- Panel Discussion

ICR 2019

THE 25th IIR INTERNATIONAL
CONGRESS OF REFRIGERATION

August 24-30 | Montréal, Québec, Canada
