

## Workshop at MCE – Mostra Convegno Expocomfort

# “Heat Pump Acoustics: From Sound Signatures to Installation Impact”

**25 March 2026** | 10:00-12:00 | Room Libra | Fiera Milano

Chairman: Andrea Santoni, Università di Ferrara, IT

- 10:00** **Greetings from President-Elect of AICARR**  
**Fabio Minchio**, President-Elect of AICARR for the 2026–2029 term, IT
- 10:05** **Annex 51 & Annex 63 Overview – A guide through the tasks**  
**Patrizia Norina Melograno**, Politecnico di Milano, IT
- 10:15** **Legislation, Regulations and Standards**  
**Roberto Fumagalli**, Politecnico di Milano, IT
- 10:25** **Acoustic Round Robin Tests & Seasonal Sound Power Level**  
**Francois Bessac**, CETIAT, FR
- 10:45** **Building Acoustics Impact of Heat Pumps**  
**Louis Allenbacher**, Fraunhofer ISE, DE
- 11:00** **Urban Acoustics Impact of Heat Pumps and digitally Assisted Heat Pump Placement**  
**Christoph Reichl**, AIT Austrian Institute of Technology, AT
- 11:20** **Psychoacoustics of Heat Pumps**  
**Antonio Torija Martinez**, University of Salford, UK
- 11:40** **Closing Discussion**
